Dear Sir.

Referring to the highly
interesting proc. poem in the
January issue of your mag-
azine by Helen Keller. Will
you kindly advise me of the
name of the literature

deplorable giving an account
of the career of this remarkable
woman. I am deeply interested
I hope you will be able to give
me the names of such books
telling of her history. I
should also like to find
a copy of her essay on
apertinism referred to by
R. W. G.

I enclose stamped envelope

& thank you in advance for your
information. Very truly yours.
